

You're a special woman.

And you deserve time, attention, and quality health care.

The Women's Health Specialists provide excellent care that meets the unique needs of women at all stages of life. With every visit to our practice you will have access to:

- A full range of medically-advanced gynecologic care
- Supportive physicians who devote their time to you
- A comfortable and private medical setting
- A family-friendly environment

We are proud to announce that Dr. Rena Jones has joined our team. Dr. Jones completed her residency training in Obstetrics and Gynecology at the University of Miami. She provides complete care for women of all ages including the following services:

- Pregnancy and childbirth care
- Annual well woman exams and pap smears
- Infertility
- Treatment of abnormal uterine bleeding
- Management of menopause

With special interests in endometrial ablation, laparoscopic surgery, and urinary incontinence, Dr. Jones provides the finest, most comprehensive care available for women. And she accepts **same or next day appointments**.

So call (713) 200-6494 and schedule your appointment today. Most insurance plans are accepted.
